SWIMMING ADVISORY LIFTED

Miami, FL. – Based on satisfactory microbial water quality test result, the Florida Department of Health in Miami-Dade County is lifting the swimming advisory that was issued on August 21, 2019 for the beach sites at:

- **Surfside 93rd Street**
- **North Shore 73rd Street**
- **Collins Park 21st Street**
- **South Beach (Collins Avenue and South Pointe Drive)**
- **Virginia Beach**
- **Crandon North and Crandon South**

If you have any questions, please contact the Florida Department of Health in Miami-Dade County at 305-324-2400.

For more information, please visit the Florida Healthy Beaches Program Website: <http://www.flhealth.gov> and Select "Beach Water Quality", from the Environmental Health Topics List.

About the Florida Department of Health
