SWIMMING ADVISORIES LIFTED

Miami, FL— Based on satisfactory microbial water quality test result, the Florida Department of Health in Miami-Dade County is lifting the swimming advisory that was issued on January 9, 2019 for the beach sites at

Crandon South (Crandon Park Key Biscayne)
and
North Shore (73rd Street and Collins Avenue)

If you have any questions, please contact the Florida Department of Health in Miami-Dade County at 305-324-2400.

For more information, please visit the Florida Healthy Beaches Program Website: http://www.flhealth.gov and Select “Beach Water Quality”, from the Environmental Health Topics List.

About the Florida Department of Health

The department, nationally accredited by the Public Health Accreditation Board, works to protect, promote and improve the health of all people in Florida through integrated state, county and community efforts.
