The Time is Now! Ending The HIV Epidemic 2021 Conference

Live Webinar On:

February 18 & 19, 2021

The Florida Department of Health in Miami-Dade County (DOH-MD) and the Miami-Dade County Ryan White Part A Program in partnership with the Office of Community Health and Planning, will host the Ending the HIV Epidemic (EHE) 2021 Conference. This two-day virtual conference will highlight new approaches, research, and intersecting issues regarding HIV care and prevention. Conference participants will hear from the DOH-MD, as well as other local leaders on the four pillars of the EHE initiative (diagnose, treat, prevent, and respond).

We invite primary care professionals, specialty care providers, nurses, case managers, peer educators, patient advocates, and all community members to register today.

Space is limited! Don't miss out!

To register click [HERE](#) or scan the QR code below!

*Please note: Registration includes attendance for both days. To attend either session/day, use the link sent to your e-mail.

If you have any questions, do not hesitate to contact EHEMiami@flhealth.gov.
