The Florida Department of Health in Miami-Dade County Issues Updates on Next Phase of Florida's COVID-19 Response as State Surpasses 10 Million Floridians Vaccinated

~ Robust Network of Local Community Providers Will Ensure Vaccine Access for All Floridians ~

MIAMI, Fla. – As Florida surpasses more than 10.1 million Floridians vaccinated, COVID-19 vaccinations are being transitioned to a locally-led effort through primary care providers, retail and pharmacy locations, county health departments under the Florida Department of Health and local governments. As a part of this transition, the Florida Department of Health in Miami-Dade County will coordinate with local community providers to ensure vaccine access for all Floridians.

A complete list of more than 2,000 alternate locations offering the COVID-19 vaccine is available [here](#).
