Office of Communication

MediaDOHMiamiDade@FLHealth.gov

Miami, Fla. — The Florida Department of Health in Miami-Dade County (DOH-Miami-Dade) is lifting the advisory for high bacterial levels at the following location:

Collins Park (21st St.)

Miami Beach, 33139

Tests completed on Tuesday, February 11, 2025, indicate that the water quality at Collins Park (21st St.) shows an acceptable level of *Enterococcus* bacteria established by state guidelines.

Test results are available at FloridaHealth.gov/HealthyBeaches.

For more information call 305-324-2400 or visit MiamiDade.FloridaHealth.gov.
